

SE Enrichment Classes

Spring classes begin the week of January 27th – March 6th

Robotics Club:

Starting Date: Monday, January 27th

Time: 2:40-3:40pm

Price: \$84/6 weeks

Children will practice and learn how to compete in robotics-based tournaments. Robots are controlled with video game like controllers to perform tasks and competitions.

Basketball:

Starting Date: Tuesday, January 28th

Time: 1:40-2:40pm

Price: \$84/6 weeks

Children will learn the basic fundamental and tactics of the game of basketball through our fun and engaging curriculum. Our classes teach kids of all ages in a high-energy, non-competitive program designed to encourage good sportsmanship and love for sports.

LEGO design:

Starting Date: Thursday, January 30th

Time: 2:40-3:40pm

Price: \$84/6 weeks

Children will learn to design and compete in Lego design challenges. They will use their imagination to build unique and creative designs in a fun and exciting environment.

Cookie Design:

Starting Date: Friday, January 31st

Time: 2:40-3:40pm

Price: \$84/6 weeks

Learn the basics of sugar cookie decorating, in this six-week class. Students will design, make, decorate, and learn in a fun and relaxed environment.

Please detach bottom portion and turn into Soaring Eagles along with payment.
